Self-Adjusting Wire Stripper/Cutter

Klein Tools Self-Adjusting Wire Stripper features automatic one-handed stripping for 10–20 AWG solid, 12–22 AWG stranded, and 12/2 or 14/2 NM-B wire. A tension adjustment dial and built-in wire stop provide precise control for customized stripping, while the integrated cutter cleanly cuts up to 8 AWG solid wire. Ergonomic dual-material grips deliver lasting comfort and control, making repetitive stripping and cutting easier on every job.
