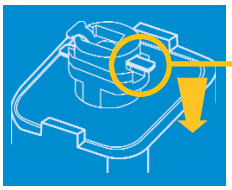
1-CIRCUIT TRACK

- Single circuit
- Extruded aluminum body
- Insulated solid 12-gauge copper
- Rated for maximum of 2400 watts
- Visual polarity groove
- Compatible with most 3-wire system

ET2	2 ft. Track
ET4	4 ft.Track
ET6	6 ft.Track
ET8	8 ft.Track
ET12	12 ft.Track

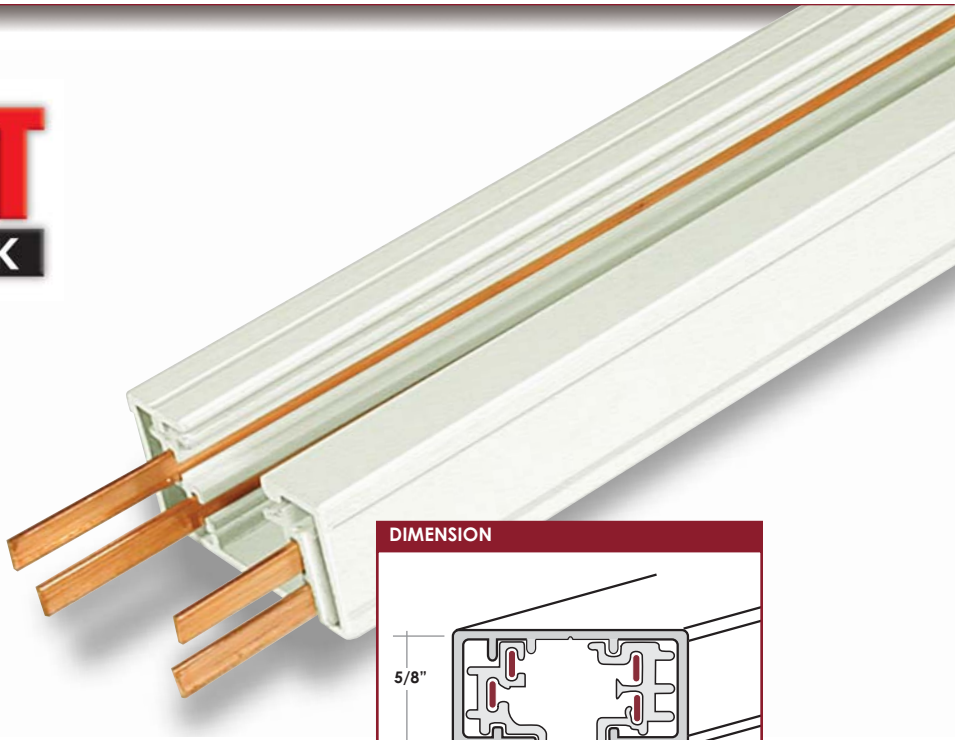
Color:
W = White **B** = Black **SN** = Satin Nickel

DIMENSION



The lever must be placed at the lower position, when the track head is intended to be use in a one-circuit track system.

2-CIRCUIT TRACK

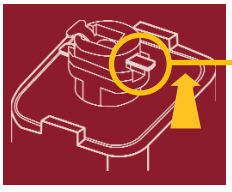


- Double circuit
- Extruded aluminum body
- Insulated solid 12-gauge copper
- Rated for maximum of 2400 watts
- Visual polarity groove
- Compatible with most 3-wire system

ET2002	2 ft. Track
ET2004	4 ft.Track
ET2006	6 ft.Track
ET2008	8 ft.Track
ET2012	12 ft.Track

Color:
W = White **B** = Black **SN** = Satin Nickel

DIMENSION



The lever must be placed at the upper position, when the track head is intended to be use on the second-circuit of the track.
