PATENTED.

*Can also be used for EMT. **Note: Meets NEC code requirements for 300.17(c) protection. Listed for use in environmental air handling spaces per NEC code requirements 300.25(c).** See page B-1 for EMT Insulating Bushings size 1/2" through 4".

The new EMT400S insulating bushing is split for easy installation when cables are already in place. They press fit onto conduit and secure with a cable tie. When used for cable protection only, these insulating bushings are a perfect substitution for costly fittings.

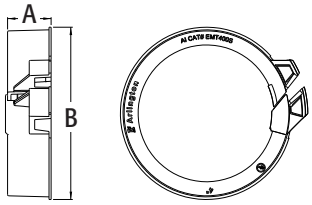

Place board over bushing and tap onto Rigid or EMT with hammer.
