5A USB high power charging devices

Over 1" of wiring space provided when installed in an 18 cubic inch electrical box.

Scan the QR code for more information on Eaton's USB charging solutions

TRUSBAC15 TRUSBC20

FEATURES

- New Slim design allows for over 1" of wiring space when using a standard 18 cubic inch electrical box
- Replaces a standard duplex receptacle.
- Intelligently identifies what type of device is being charged and adjust for proper charging current.
- 3 leaf contact design helps to dissipate heat and provides superior plug retention.
- Standard duplex receptacle with one USB-A and one USB-C, two USB-C ports rated at a combined 5.0A
- Tamper resistant shutters provide compliance with latest NEC (406.12).
- Black tamper resistant shutters nearly disappear from view, creating a seamless, contemporary look

COMBINATION USB CHARGER WITH TR RECEPTACLE

2-pole, 3-wire grounding
