From: Littelfuse Product Management – Industrial Business Unit

Subject: Replacements of LRU series Fuse Reducers

Document Number: LFPCN_PG0201

Date: 11th November 2024

This letter is to inform Littelfuse Sales, Sales Support & Customers of replacements of LRU series Fuse Reducer's 7-part numbers. These replacements are done to ensure smooth supply of the products. Please note there will be no change in form, fit and function for the new part numbers.

Please refer to Annex A table for the list of 7 SKUs that are included in this replacement plan. We will start supplying the new parts as soon as we deplete the stock of old part numbers. Please refer Annexure B for current stock status of old parts.

For any technical or cross reference questions, please contact our Technical Support team at (800) TEC-FUSE.
Thank you for your business.

Sincerely,
Prashant Kulkarni
