Mulberry Wallplates

When U.S. made wallplates are specified for the job or needed to meet an ARRA requirement, make Mulberry your first choice!

Every metal wallplate in this catalog is manufactured right here in the USA!

In addition, we offer:

- More than 7,000 different wallplates, with most in stock
- The industry's widest variety of materials, openings, combinations and colors
- A choice of over 40 painted metal, stainless steel, brass and other metal finishes
- Plus, our unbreakable thermoplastic wallplates available in 4 colors
- Standard metal wallplate configurations from 1 to 10-gang and thermoplastic from 1 to 6 gang
- In-house engraving and silk-screening capability
- Custom wallplates available in special sizes or with custom openings or markings

Unsurpassed Quality, Selection & Service!

Mulberry Wallplates

Features and Benefits:

Painted Metal Wallplates

- Made from the finest steel alloy and then painted with a superior powder coat finish to assure durability.
- Durable paint finish helps prevent chipping and scratching.
- Can be re-painted to match a new room decor.
- Come with standard slotted 6-32 oval head metal screws in a matching paint finish.
- Available in a variety of shapes and sizes — Standard, Princess, Oversize and Maxi sizes.
- Princess shaped plates have rounded corners which help prevent wall damage and are also 1/2 inch taller in height to help cover any gaps or holes between sheetrock and an existing electrical box.
- UL Listed and made in the U.S.A.

Stainless Steel, Brass, Bronze, Aluminum & Chrome Wallplates

- Ideal for residential, commercial and institutional applications.
- Specification-grade, non-magnetic 304 type stainless steel available in either a Satin or Mirror Polish finish.
- Standard 430 type stainless steel also has excellent non-corrosive properties.
- Brass made from a 70/30 alloy is .040 inches thick and avilable with either a Satin or Mirror finish.
- UL Listed and made in the U.S.A.

Thermoplastic Wallplates

- Made from rugged thermoplastic resin, Mulberry wallplates will not crack during installation or after many years of use.
- Will not fade or warp due to UV light or humidity.
- Resists grease, oils and solvents.
- Flexible design fits over uneven wall surfaces.
- C-UL-us Listed.

Dimensions by Style

Standard Shape

1	gang	4.5” x 2.75”
