Voltage	120V				
Power Efficiency	≥0.9				
RA	≥80				
Beam Angle	110°				

Features:

- Built-in driver, 15mm thickness
- Colorful trim available
- Good Quality LGP & diffuser Plate
- Stable design for the whole structure
- SMT technology, ensuring accurate for LEDs on FPCB
- CCT tunable
- 120V, Triac dimming
- 5 Years warranty
