Advantages

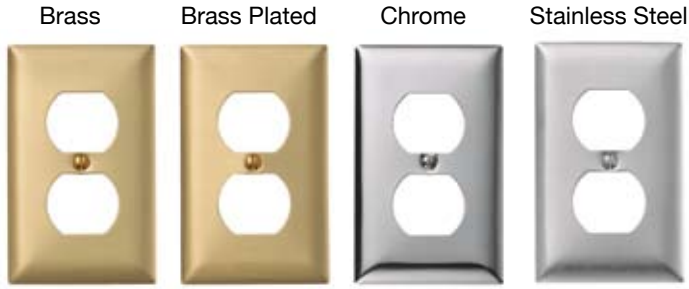

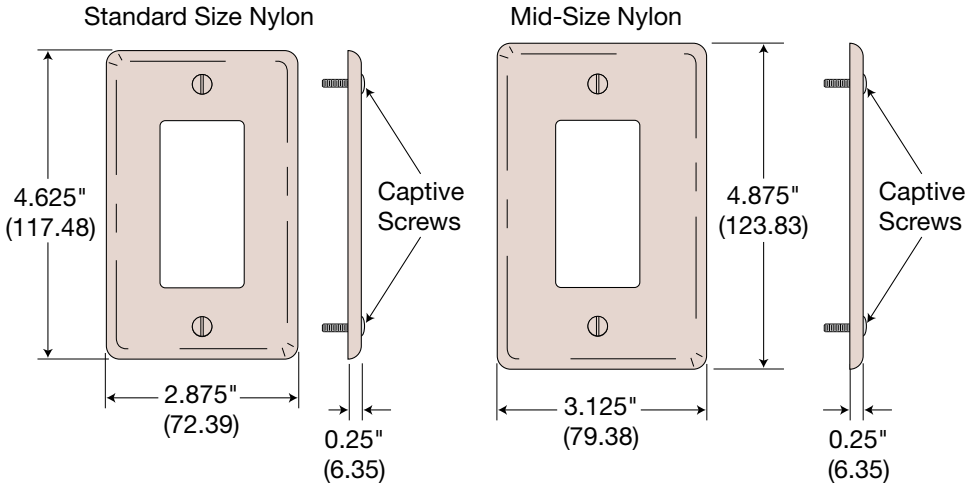

Nylon wallplates are designed for durability and easy cleaning. Standard sized wallplates are ⅛" larger to give you that extra coverage to hide rough box openings. The depth is ¼" so that it will comfortably fit over the device even on imperfect installations or on retrofit work.

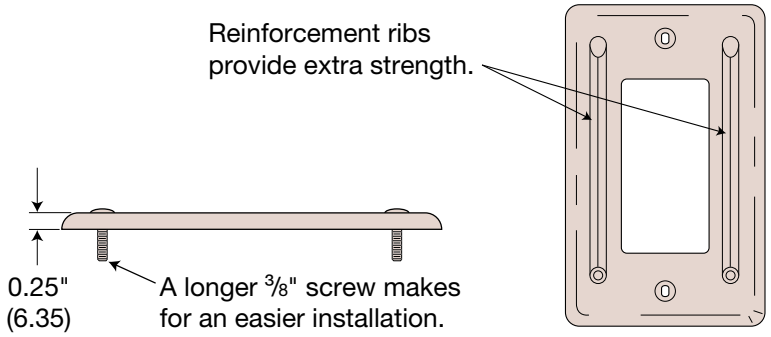

NYLON

METAL

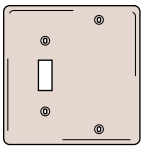

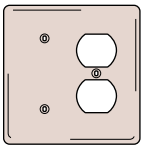

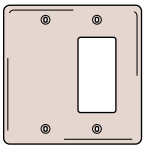

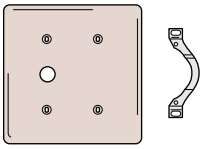

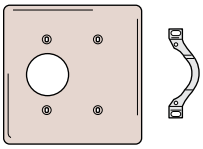

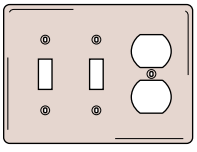

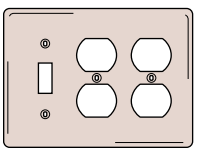

Wallplates & Weather Resistant Covers

Combination Wallplates

- Curved corners blend into any interior.
- Screws pre-inserted in single-gang wallplates for faster assembly.
- Individually packaged.
- Virtually unbreakable nylon.
- UL Listed E92074, CSA Certified.
