

Item # 1837327 Shown

Phillips Impact Insert Bits Features:

While most screwdriving bits are simply compatible with impact drills and drivers, IRWINÂ® Impact Performance Seriesâ„¢ fastener drive bits are engineered for maximum durability and long life with impact drivers. These bits are forged* rather than milled, so they fit fasteners more precisely, which reduces stripping and increases the life of the bit itself â€“ IRWIN's Impact Performance Series bits have three times longer life than traditional bits. Manufactured with heavy-duty, cold-forged, high-grade steel, they'll withstand extremely high torque output. Plus, a black oxide finish resists corrosion and increases the life of the bit.

- Built for maximum durability and long life with impact drivers.
- Forged bit (vs. milled) for superior fitment, which reduces stripping and increases life of bit 3X.*
- Manufactured with heavy-duty, cold-forged, high-grade steel to withstand high torque output.
- Black oxide finish resists corrosion and increases life of bit.

*Square and Phillips bits only
**vs. standard screwdriver bits

Item #	Description	Point Size	Shank Diameter	Overall Length
1837324	Phillips Insert Impact Bit (2-pc)	#1	1/4"	1"
1838481	Phillips Insert Impact Bit (25-pc Bag)	#1	1/4"	1"
1837325	Phillips Insert Impact Bit (25-pc)	#1	1/4"	1"
