The Milwaukee Advantage

Milwaukee® Shockwave Impact Duty™ Driver Bits are engineered for extreme durability and up to 10x life. Made from proprietary steel and heat treated to control hardness, the Shockwave Impact Duty™ Driver Bits feature an innovatively designed geometric shock absorption zone to extend life. The forged tip allows for a secure grip and maximum contact eliminating stripping or slipping. Broadly targeting cordless users, the Shockwave Impact Duty™ accessory line is not only ideal for heavy duty impact applications, but delivers a full system solution for all the user's drilling and fastening needs.

Features

- Geometric design provides the shock absorption zone
- Proprietary steel and heat treat process for maximum strength and durability
- Forged tips for maximum grip
