Weathersafe® III Extra-Duty In-Use Covers

Clear White Gray Bronze

c UL us

Testing/Code Compliance: *All WeatherSafe® III covers comply with the 2014 NEC Article 406.9 (B) (1) Extra Duty requirements. They are UL Listed and meet the requirements for a NEMA 3R rating.*

Horizontal/Vertical Orientation: *These 1- gang in-use covers mount horizontally or vertically, allowing you to stock fewer SKUs (our 2-gang in-use cover mounts vertically only).*

Snap-On Inserts: *Our 1-gang in-use cover comes with an individual duplex and an individual GFI snap-on insert. Plus, another insert for either a toggle or three single receptacle sizes (1-1/4", 1-3/8" and 1-9/16" in diameter). Easy to attach.*

Our 2-gang in-use WeatherSafe® provides up to 31 configurations.

Meets "Extra Duty" NEC Code requirement!

with easy to attach snap-on inserts
