Product Features:

- Oversize wallplates can be used to cover wall surface irregularities–a full inch taller than standard size and wider, as well.
- Made from the finest steel alloy and painted with a superior powder coat finish to assure durability.
- Durable finish inhibits oxidation and helps prevent any chipping and scratching.
- If needed, can later be painted in the field to match a new room décor.
- Comes with matching screws.
- Made in the U.S.A.
